Family Residences And Essential Enterprising

I am currently employed in a group home as a direct support professional caring for five male residents aged 25 to 75. I provide them with baths, food, administer prescriptions, entertain them, and transport them to doctor visits. To ensure they live in a clean environment, I sweep, mop, and vacuum, Along with other cleaning tasks in their home. I hold certificates AMAP and CPR. Additionally, I have experience organizing, and scheduling,
